- 11.8 Subject to clause 11.6, the Supplier's total liability (whether arising in contract, in tort (including negligence) or restitution, for breach of statutory duty or misrepresentation, or otherwise) arising directly or indirectly out of, under, due to, or in connection with this Agreement will in all circumstances be limited to the total Fees already paid by the Customer to the Supplier during the period of twelve (12) consecutive months immediately preceding the date of the first event giving rise to the Supplier's liability.

## 12. Term and Termination

- 12.1 This Agreement will commence on the Effective Date and continue for the Term, unless terminated in accordance with this Agreement.
- 12.2 If the Customer wishes to terminate this Agreement during a Renewal Term (or fails to give the requisite termination notice to the Supplier prior to the start of a new Renewal Term), the Fees due for the remainder of that Renewal Term will become immediately due and payable to the Supplier within thirty (30) Business Days.
- 12.3 Without affecting any other right or remedy available to it, either Party may terminate this Agreement with immediate effect by giving written notice to the other Party if: (i) the other Party fails to pay any amount due under this Agreement on the due date for payment and remains in default not less than ten (10) Business Days after being notified in writing to make such payment; or (ii) if the other Party commits a material breach of any terms of this Agreement, which breach is irremediable or (if such

breach is remediable) fails to remedy that breach within ten (10) Business Days after being notified in writing to do so; or (iii) the other Party suspends, ceases, or threatens to suspend or cease carrying on its business or a substantial part thereof, or suffers an Insolvency Event.

- 12.4 Without prejudice to any other rights or remedies hereunder to which the Supplier may be entitled, if the Supplier knows or has reasonable grounds to suspect that the Customer is acting in breach of its obligations under this Agreement (including failure to pay the Fees), the Supplier may notify the Customer in writing accordingly and may suspend the Customer's and all Students, and Authorised Users' access to the Software until such breach can be remedied, or until the Supplier is satisfied, acting reasonably, that its suspicions are unfounded.

- 12.5 On termination or expiry of this Agreement for any reason: (a) all licences and rights granted by the Supplier under this Agreement will immediately terminate and cease to be valid; (b) all Fees which are outstanding on the date of termination will become immediately due and payable; (c) subject to the terms and conditions of this Agreement, each Receiving Party will return to the Disclosing Party (or, at such Disclosing Party's direction, destroy) and make no further use of any of the Disclosing Party's Confidential Information, and each party will make no further use of any equipment, property, and other items (and all copies of them) belonging to the other Party; and (d) any rights, remedies, obligations or liabilities of the Parties that have accrued up to the date of termination, including the right to claim damages in respect of any breach of this Agreement which existed at or before

the date of termination will not be affected or prejudiced.

### 13. General

**13.1 Entire agreement.** This Agreement constitutes the entire agreement between the Parties and supersedes and extinguishes all previous agreements, promises, assurances, warranties, representations, and understandings between them, whether written or oral, relating to its subject matter. The terms and conditions contained in this Agreement will be to the exclusion of all other terms and conditions relating to the same, including without limitation (to the fullest extent permitted by applicable laws) any terms or conditions implied by law, trade custom, practice, and/or course of dealing, and/or any terms or conditions that the Customer may purport to apply, impose, or incorporate under any offer, acknowledgement, correspondence, or any other document issued by the Customer. Accordingly, no terms or conditions endorsed on, delivered with, or contained in any purchase order, specification, or other document issued by the Customer will form part of this Agreement. Any terms or conditions of the Customer diverging from the provisions hereof will not be valid, even if the Supplier effects delivery or renders any part of the Services without reservation.

**13.2 Assignment.** The Customer will not assign, transfer, charge, sub-contract, or deal in any other manner with all or any of its rights or obligations under this Agreement without the prior written consent of the Supplier. The Supplier may at any time assign, transfer, charge, sub-contract, or deal in any other manner with all or any of its rights or obligations under this Agreement

without requiring any additional consent from the Customer.

**13.3 Force Majeure.** Neither Party is responsible for failing to fulfil its obligations (other than its payment obligations) under this Agreement due to causes beyond its reasonable control that directly or indirectly delay, hinder, or prevent timely performance ("Force Majeure Event"). Any dates or times by which each Party is required to render performance under this Agreement will be postponed automatically to the extent that the Party is delayed or prevented from meeting them by a Force Majeure Event. If the Force Majeure Event prevents, hinders, or delays the affected Party's performance of its obligations for a continuous period of more than thirty (30) calendar days, the affected Party may terminate this Agreement by giving thirty (30) calendar days' written notice to the other Party.

**13.4 Notices.** Any notice to be given under this Agreement will be in writing and delivered by hand (delivery by courier will be regarded as delivery by hand) or by tracked recorded-delivery post to the Party concerned at the relevant address shown at the top of this Agreement (or such other address as may be communicated by the relevant recipient Party to the other from time to time by way of a written notice given in accordance with this clause 14.4) and will take effect: (i) if delivered by hand, at the time of delivery; or (ii) if delivered by tracked recorded-delivery, at the time and date recorded by the relevant recorded-delivery service.

**13.5 Variation.** The Supplier may vary the terms of this Agreement from time to time by providing [two] weeks' prior written notice to the Customer of such

variation, except that the Supplier shall not vary the terms of clause 7 (Customer Data and Derived Data), clause 9 (Intellectual Property), clause 10 (Confidentiality), clause 11 (Limitation of Liability) and clause 12 (Term and Termination) of this Agreement, unless it is set forth in a written document that expressly refers to this Agreement and that is signed by the Parties (or their duly authorised Representatives).

**13.6 Waiver.** No failure or delay by a Party to exercise any right or remedy provided under this Agreement or by law will constitute a waiver of that or any other right or remedy, nor will it prevent or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy will prevent or restrict the further exercise of that or any other right or remedy.

**13.7 Severance.** If any provision or part-provision of this Agreement is or becomes invalid, illegal, or unenforceable, it will be deemed modified to the minimum extent necessary to make it valid, legal, and enforceable. If such modification is not possible, the relevant provision or part-provision will be deemed deleted. Any modification to or deletion of a provision or part-provision under this clause will not affect the validity and enforceability of the rest of this Agreement.

**13.8 Relationship.** The relationship between the Parties is that of independent contractors and nothing in this Agreement will be construed to create a partnership, joint venture, employment, or agency relationship between the Parties, nor authorise any Party to make or enter into any commitments for or on behalf of the other Party. Each Party

confirms it is acting on its own behalf and not for the benefit of any other person. The Parties acknowledge that the arrangements between them are non-exclusive. Nothing contained in this Agreement will prohibit either of the Parties from conducting business activities with other third parties.

**13.9 Third-party rights.** A person who is not a Party to this Agreement will not have any right to enforce any term of this Agreement under the Contracts (Rights of Third Parties) Act 1999.

**13.10 Counterparts.** This Agreement may be executed in any number of counterparts, each of which when executed will constitute a duplicate original, but all the counterparts will together constitute the one agreement.

**13.11 Governing Law.** This Agreement, and any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with it or its subject matter or formation, will be governed by, and construed in accordance with, English law.

**13.12 Jurisdiction.** Each Party irrevocably agrees that the courts of England and Wales will have exclusive jurisdiction to settle any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with this Agreement, its subject matter or formation.
